

Public Water Supply District # 3 of Johnson County Policy and Procedures

Policy / Procedure Number: 2022-001

Subject: Seasonal Watering Wastewater Discount

Approval Date: September 20, 2022

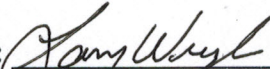

Revision Date:

POLICY: Any wastewater customer connected to the Public Water Supply District No. 3 (PWSD No. 3) Wastewater System will be eligible for a credit on the wastewater portion of their bill for the amount equal to the cost of the yard watering portion only.

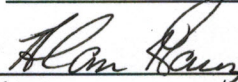

PROCEDURE: Any wastewater customer that waters their yard and causes their wastewater bill to increase 50% above their normal usage is eligible to receive a reduction on the wastewater portion of the billing to equal their normal usage. This reduction **only** applies to the wastewater charges. The water billing will not receive any price reduction. For new wastewater customers without an established usage average a usage of 5,000 gallons will be considered the average. Any wastewater customer that wishes to utilize this policy must initiate their request by contacting our office. All policy requested discounts will be reviewed and approved at manager's discretion.

(Example: \$50.00 is the normal wastewater bill. With yard watering the wastewater bill increased to \$76.00. The reduction discount will be \$26.00)
